ANCHOR / REPORTER

## ABOUT ME

I'm an anchor/reporter with more than six years of experience. I've covered hurricanes, snow coverage, national stories on protests over confederate monuments, explosions, the Masters Golf Tournament, and stories that impact the community every day. I have a passion for journalism, storytelling, and making an impact in the community.

## OBJECTIVE

*My objective is to be a morning anchor. I want to be the credible voice people in the community can depend on as they wake up and start their day. I believe people depend on the morning news for breaking news, what will impact them on their way to work, what changes are happening in their child's school, or what is going on in the world they will talk about at work.*
